Step 5: Once you have logged in, your inbox will show up.

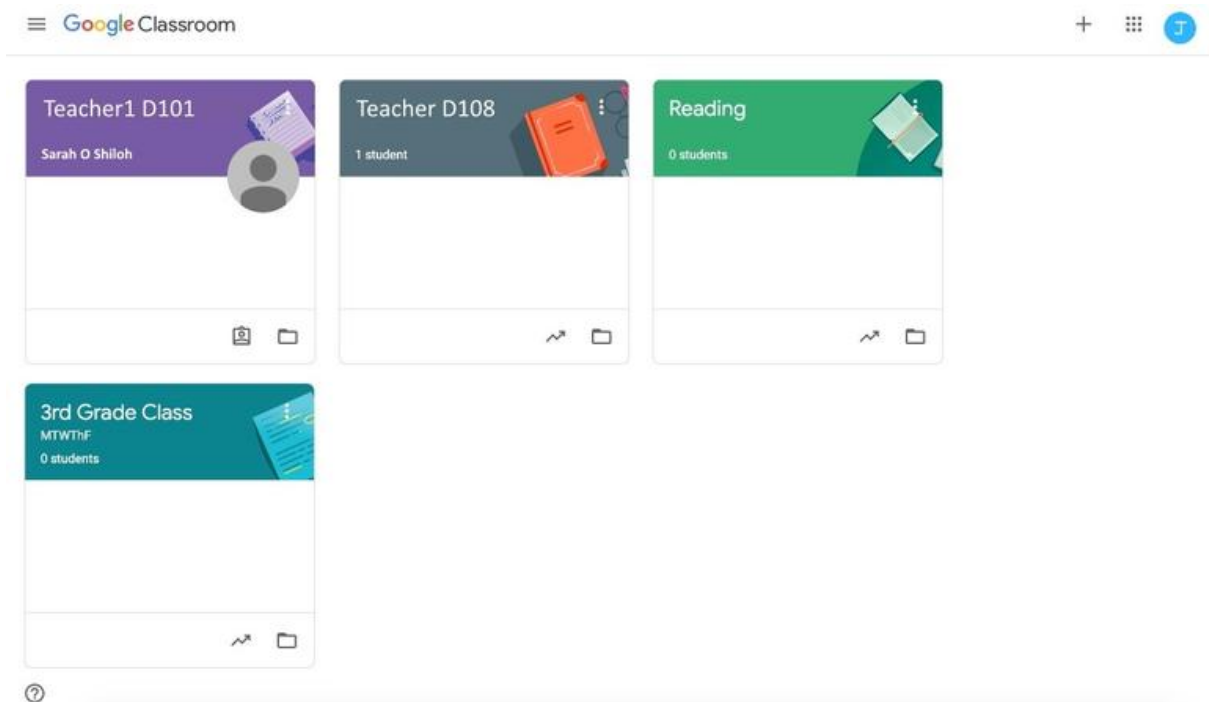

Tech Tip: Your inbox is where you can directly send an email to someone. You will get email notifications from Google Classroom regarding assignments posted and graded work. Please check your email regularly!

Step 6: Go to the Google Apps (sometimes called the waffle) and find the Classroom icon. Click on it.

Step 7: When you click the classroom icon, you will automatically be directed to the Google Classroom you are enrolled in. Click on the classroom.

Tech Tip: Double check your classroom is with the correct teacher.

Step 8: Once you are enrolled in Google Classroom, you will see the class's stream. This is where you can see anything posted by the teacher.
